

Natural Putt

Expertly designed and engineered for putting green and bocce ball applications.

About Natural Putt

Need to shave a few strokes off your game? Let us install Natural Putt in your back yard. You will be turning heads and not because you're yelling fore! Natural Putt has a deep green color and is meant for use in putting greens and bocce ball courts. We can adjust the infill of the turf so you can decide how you want the ball to roll. This turf trimmed out with one of our longer fiber turf products gives a realistic look and a fringe that you can chip from.

Worry-free Enjoyment

No mowing or watering to maintain the perfect playing surface.

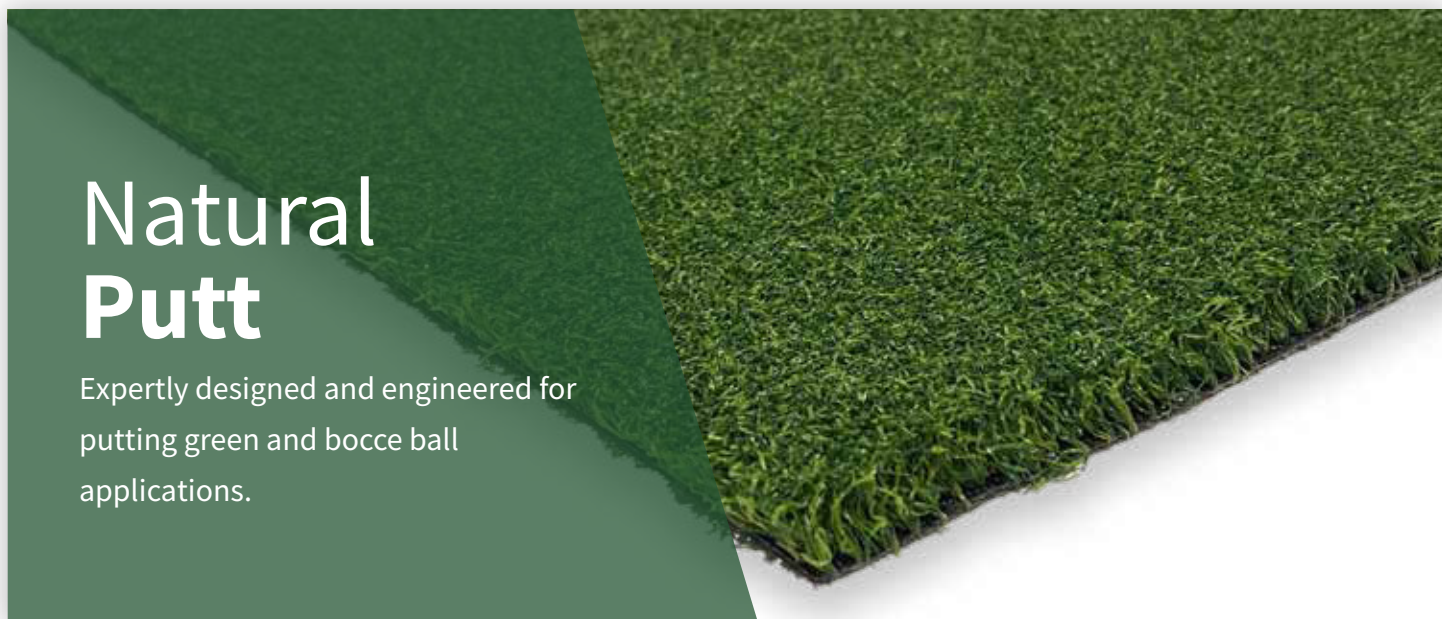

Low Maintenance

Does not require chemical treatments or fertilizers to maintain its health.

Durable

Our specially formulated turf options feature premium manufacturing materials to reduce fade and degradation.

Natural Putt

Expertly designed and engineered for putting green and bocce ball applications.
